

**Discover the Exclusivity and Bespoke Experience of
Regent Club on Your Terms**

18 September 2023 (Hong Kong SAR) – As the reimagined Regent Hong Kong continues to unveil its transformed facilities and immersive services, discover Regent Club, an exclusive private sanctuary and luxury residential retreat with bespoke service on your terms.

Experience more – ON YOUR TERMS

The elevator opens to a dramatic foyer; a reflective moongate entrance signals the exclusive passage to an idyllic setting. As the doors open, sweeping views of Victoria Harbour unfold, granting you access to a fascinating journey of discovery and connection. Here bespoke service on your terms elevates the Regent experience to unparalleled heights, enabling you to unwind, recharge and be indulged.

Feel at home – A PRIVATE RETREAT

Elevated like the bridge of a cruise ship overlooking The Lobby Lounge on the harbour side and the hotel entrance on the city side, this exclusive light-filled retreat designed by Chi Wing Lo, exudes residential luxury with warm woods and the cosiness of upholstered walls. Consider it your private castle – home to sweet serenity, fresh aromas and gentle flavours that awake and soothe the senses. The intimate spaces are brought to life with personalised service and moments of decadence that become highlights of the day with bespoke culinary, beverage and wellness offerings.

Find balance – A PEACEFUL HAVEN

Artfully designed spaces enhance relaxation and spark conversation – from the bar corner to comfy sofas and relaxed table seating overlooking the harbour. Cosy corners provide privacy for intimate chats or when you want to switch off the outside world and soak in the sweeping view, while flexible seating areas are designed for a variety of activities including wellness, relaxation and culinary experiences. Inspired by the hotel's rebirth and renewal, an intriguing

commissioned artwork entitled “Almost Come to Life” by Tse Chun Sing adds a calming sense of wonderment and pause for meditation as its automated flowers bloom in and out in repetition.

Indulge and nourish – INSPIRING DISCOVERIES

Within this elevated retreat overlooking Victoria Harbour, you are privy to an exclusive exploration of unique culinary offerings with indulgent tastes of local, regional and international dishes throughout the day.

Breakfast is on your terms – from morning classics and comfort food to curated Japanese, Chinese and healthy set breakfast menus. Delicious breakfast specialties are prepared à la minute, while you indulge in fresh juice, fruit and enticing selections on the buffet.

A decadent Afternoon Tea experience includes Hong Kong-style savoury favourites and exquisite jewel-like pastries from the vitrine. Discover the ritual, skill and discipline of Chinese Kung Fu Tea preparation as you savour the finest tea selections, including a unique Regent Club blend curated by our Master Tea Sommelier at the MICHELIN-starred Lai Ching Heen.

As the sun sets over Victoria Harbour, Regent Club becomes a welcoming oasis with locally crafted beers, curated wines and Champagne selected by our Sommelier. Unwind and revel in the view over bespoke cocktails; or sip two-month-aged Negroni served directly from the barrel. Exclusive tastes from our Dining Destination will whet your appetite for the evening ahead. Decadent indulgence awaits, with a taste of Asian-inspired dishes by our Harbourside chefs and signature starters like mini crabcakes and foie gras terrine from The Steak House, plus top-quality charcuterie, cheeses and home-smoked salmon on the buffet.

Feel uplifted – ELEVATED CONNECTIONS

The bespoke journey begins with personalised check-in in the privacy of your guestroom or Regent Club. Your Regent Club Experience Agent is on hand to orchestrate a seamless experience with local discoveries that connect you with the city and its people – even from your extraordinary vantage point in Regent Club. Whether you’re sampling our chefs’ seasonal specialties during evening cocktails or getting insider tips on the city’s most exciting art exhibitions, our team crafts every moment to make you feel uplifted and at ease in a relaxed ambiance that inspires a natural sense of calm and meaningful connections with little touches that become lasting memories.
