BAR MANAGER AT REGENT HONG KONG
— GENNARO PUCCI

The curator is an expert tastemaker driven by a passion for uncovering the extraordinary. His discerning palate and dedication to quality leads them along ancient trade routes, seeking hidden treasures that define Qura's spirit collection of spirits. With expertise and impeccable taste, he ensures each sip reveals a journey of global exploration and indulgence.

In Qura, The Curator's legacy thrives — an ever-growing collection of unparalleled depth that speaks not just to the young adventurer seeking novel experiences, but also to the seasoned sage with an appreciation for the classics. Through his journeys and discoveries, The Curator has woven a myriad of flavours that transcend time and place, inviting all who enter to raise a glass to the extraordinary adventure that is life itself.

In the heart of the bustling metropolis of Hong Kong, there exists a figure known simply as "The Curator." A modern-day explorer with an insatiable thirst for adventure, this enigmatic soul embodies the spirit of the intrepid travellers of old. Guided by a fervour for the exotic, The Curator has ventured far and wide, traversing the landscapes of distant lands in a relentless pursuit of rare and vibrant flavours.

Drawn by the stories of ancient trade routes and the allure of hidden treasures, The Curator embarked on journeys that spanned continents. From the sun-kissed Caribbean islands to the misty highlands of Scotland, each expedition brought him face to face with the world's most unique liqueurs, spirits, fruits, and spices. The bustling markets of Marrakech introduced him to the art of infusing exotic botanicals, while the aromatic bazaars of India unveiled the secrets of complex spice blends.

The Curator's passion found its truest expression in the realm of spirits. Inspired by the merchants of the Silk Road who bartered for spices and botanicals, they amassed a collection of unparalleled depth and diversity. The story of their Armagnac collection resonates with echoes of ancient French vineyards, each bottle a testament to the passage of time and the artistry of generations. Their Cognac selection embodies the sophistication of the French countryside, while the curated whiskies capture the rugged landscapes and fiery spirits of the regions from which they hail.

Gin

*“Of all the gin joints in all the towns in all the world, she walks into mine.”
- Humphrey Bogart. The allure of gin, a spirit that has fuelled many a grand
adventure, captured The Curator’s imagination. And so, he embarked on a
mission to source rare spices, fruits and botanicals from the far reaches of the
world, culminating in crafting a collaboration with NIP Gin that would
encapsulate the very essence of his travels.*

Vodka

Stanislaw Jerzy Lec humorously captures the role of vodka in easing troubles and bringing moments of forgetfulness, which resonates with our Curator and the idea of indulgence from fine ingredients. "Vodka is our remedy for bad memory." As a connoisseur of traditions, he ventured to Poland to learn the sacred rituals surrounding vodka, turning frosty glasses into vessels of shared stories.
