

## The Signature Suite Collection Revealed

**A Trio of One-of-a-kind, Luxury Residential Retreats  
with Private Terraces and Unrivalled Harbourviews**

5 June 2024 (HKSAR): As part of its stunning transformation, the reimagined Regent Hong Kong continues to ramp up the allure with the unveiling of the Signature Suites, a trio of spectacular luxury residential retreats – each with a private outdoor terrace and whirlpool, unrivalled views of Victoria Harbour and the dazzling Hong Kong skyline, plus a myriad of Personal Havens enhanced by bespoke service “on your terms”.

Showcasing the sublime aesthetic of visionary Hong Kong born architect and designer Chi Wing Lo, the Presidential Suite, Terrace Suite and CEO Suite are one-of-a kind Personal Havens that elevate the Regent Hong Kong experience to new heights. Celebrating the Beauty of Contrasts, Lo has created timeless spaces with a serene design sensibility that stunningly juxtaposes the hotel's spectacular vistas from a multitude of aspects, allowing guests a bespoke experience that inspires special moments. From wedding ceremonies with cocktail receptions set against the backdrop of Victoria Harbour to intimate soirées, exclusive private events, romantic getaways and family reunions, Regent Hong Kong's signature suites set the stage for exceptional experiences.

Michel Chertouh, Regent Hong Kong Managing Director, comments, “Each of our Signature Suites is designed to offer a highly personalised experience and the height of sophistication and discreet luxury. Guests will feel as if they are living in a luxurious contemporary residence with spaces that become their own, rather than a hotel suite.” Reenvisioning each signature suite with warm cream tones, custom

furnishings in natural oak with leather detailing and artisan craftsmanship, Lo has created a tranquil ambience with understated sophistication, elevated above the bustle of the city, while overlooking it all.

Awakening to the first rays of sunlight glistening on Victoria Harbour as it comes to life, guests can watch the enthralling framed views transform throughout the day. When gazing at the skyline from the private terrace or oversized Oasis Bath (in the Presidential Suite and Terrace Suite), the mesmerising cinematic show on Victoria Harbour never ceases to amaze.

### ***Introducing the Signature Suite Collection***

#### **Presidential Suite**

Regent Hong Kong's Presidential Suite has long been acclaimed as one of the world's most spectacular hotel suites and rooftop penthouses. Those seeking unparalleled luxury and the ultimate Personal Haven will discover the pinnacle in the stunning duplex suite, redesigned by Chi Wing Lo. The sleek and sophisticated 7,000 square foot Presidential Suite, inclusive of a private rooftop terrace and infinity swimming pool, all with majestic views of the Victoria Harbour, feels like a luxurious private residence. Respecting the magnificence of the existing design and floorplan, Lo has subtly refined and elevated the suite's ambience in a remarkable fusion of past and present, with exquisitely designed furnishings and meticulous attention to detail in a tapestry interwoven with historical significance and memories.

Two-storey plate glass windows showcase cinematic panoramic views of Victoria Harbour and the Hong Kong skyline from the duplex living room, dining room which seats eight, the Master Bedroom, ensuite Oasis bathroom (with private sauna and steam rooms) and private gym. The Presidential Suite also has a tea room, kitchenette and powder room. In addition to the Master Bedroom, four outer-connecting bedrooms create a 5-bedroom suite.

#### **Terrace Suite**

Newly redesigned, reconfigured and expanded, the Terrace Suite at 5,500 square feet (510 square metres) is now a stunning one-bedroom Duplex Suite with the luxurious feel of a sophisticated apartment. With a private rooftop terrace and sweeping views over Victoria Harbour and Hong Kong Island, the main level includes a spacious living room with a lounge area and dining table seating eight persons. Ideal for entertaining, the living room has a long green granite console which can be used for buffet service. There is also an adjoining entertainment room accommodating four persons, perfect for pre-wedding mahjong and other table games, plus two powder rooms.

An internal glass staircase leads to the upstairs harbour-facing Master Bedroom and expansive Oasis bathroom with a round Oasis bath with floor-to-ceiling windows overlooking Victoria Harbour and the

Hong Kong Island skyline. With generous closets, a spacious changing and lounging area and built-in make-up table with abundant natural light, this is the perfect spot for brides to prepare for a wedding ceremony on the terrace below.

Designed for special occasions, events and intimate moments for two, the rooftop terrace includes a whirlpool, lounge areas and a dining table (for up to eight guests) – all overlooking Victoria Harbour. At 3,300 square foot / 307 square metres, the terrace can be transformed for each curated occasion, be it a wedding ceremony and cocktail reception, a seated dinner party or an indulgent breakfast for two as the sun rises over Victoria Harbour.

### **CEO Suite**

The two-bedroom CEO Suite at 4,200 square feet (381 square metres) is home to a central living room with a wall of harbourview windows and glass doors which open up to the terrace overlooking Victoria Harbour. A daybed spanning the expansive windowfront of the living room and Master Bedroom is the ideal spot to savour the splendour of Hong Kong. With a built-in wine fridge and Chi Wing Lo custom designed bar cabinet, the living room with its comfortable lounge seating is a haven for relaxation and convivial conversation. Located next to the Oasis Bathroom of the Master Bedroom, the guest powder room in the living room can also be used as a half bath for guests-in-residence.

Sliding doors on either side of a central wall with a large smart TV, open to the Master Bedroom with a long windowfront daybed with captivating vistas of the harbour and skyline. In the spacious Oasis Bathroom with double sinks, guests can let the pressures of the day melt away from the round Oasis bath and separate rain forest shower.

A second bedroom with an Oasis bath and large foyer with additional closet space is located on the opposite of the living room with communal access to the living and outdoor spaces.

The 3,200 square foot (297 square metre) terrace with sweeping views of Victoria Harbour and Hong Kong Island includes a whirlpool, sundeck, lounge area and a dining table for up to eight guests, making this a spectacular venue for entertaining.
