Significant highlights from the spirit collection include the 'Uniting Nations #3,' a rare blend of Japanese and Scottish whisky traditions, and the historic 'Ferrand Distilled Before 1914,' offering a taste of pre-World War I craftsmanship. The 'Foursquare Shibboleth,' a 16-year-old Barbados Single Blended Rum, encapsulates the rich legacy of Barbadian rum-making. Adding to these treasures, the 'Fiona Macleod 33-Year Old' by The Character of Islay Whisky Company stands out as a masterpiece of Islay's whisky heritage, offering a complex, peat-smoked flavour, a tribute to the mystique of Islay. The 'Jose Arechabala Ron Blanco Arecha' from the 1960s embodies the golden era of Cuban rum-making, a rare collector's item that speaks of Cuba's rich rum history. Finally, the 'Collector Gin #001,' a collaboration with Hong Kong's NIP Gin, is a testament to global exploration, infusing exotic botanicals from around the world encountered by 'The Collector.' These rare spirits are not just beverages but stories captured in bottles, brought from the farthest corners of the world to the heart of Hong Kong.

Interior Design

The Qura experience is a reinvention of the glamour and allure of a bygone era, combined with contemporary flair. The vintage decor features Art Deco elements and a modern style melded with antique pieces that add warmth and charm. Every space has its character, story and feel, offering a hedonistic escape. The palette starts with softer hues and moves into cooler tones, creating a sensory encounter that connects each room through Art Deco-inspired portals framed with fluted lacquer. The close-up views of Victoria Harbour and the Hong Kong skyline electrify the ambience.

Emitting a soft glow, the horseshoe-shaped, backlit rose quartzite bar, enhanced by a custom-made crystal light feature and Lasvit table lamps, is a glamorous rendezvous venue for drinks and convivial conversations.

Designed as a haven for cigar aficionados, the private cigar bar is a tranquil and intimate space with an eclectic clubby ambience, staged with stunning de Gournay Chinoiserie wall coverings, a green marble fireplace, crystal chandeliers, a quilted leather sofa and leather armchairs. The adjoining Humidor Room features a custom round rug by Jan Kath, one of the world's most in-demand designers of hand-knotted carpets.
