BAR MANAGER AT REGENT HONG KONG — GENNARO PUCCI

The Curator is an expert tastemaker driven by a passion for uncovering the extraordinary. His discerning palate and dedication to quality leads them along ancient trade routes, seeking hidden treasures that define Qura's spirit collection of spirits. With expertise and impeccable taste, he ensures each sip reveals a journey of global exploration and indulgence.

In Qura, The Curator's legacy thrives — an ever-growing collection of unparalleled depth that speaks not just to the young adventurer seeking novel experiences, but also to the seasoned sage with an appreciation for the classics. Through his journeys and discoveries, The Curator has woven a myriad of flavours that transcend time and place, inviting all who enter to raise a glass to the extraordinary adventure that is life itself.

In the heart of the bustling metropolis of Hong Kong, there exists a figure known simply as "The Curator." A modern-day explorer with an insatiable thirst for adventure, this enigmatic soul embodies the spirit of the intrepid travellers of old. Guided by a fervour for the exotic, The Curator has ventured far and wide, traversing the landscapes of distant lands in a relentless pursuit of rare and vibrant flavours.

Drawn by the stories of ancient trade routes and the allure of hidden treasures, The Curator embarked on journeys that spanned continents. From the sun-kissed Caribbean islands to the misty highlands of Scotland, each expedition brought him face to face with the world's most unique liqueurs, spirits, fruits, and spices. The bustling markets of Marrakech introduced him to the art of infusing exotic botanicals, while the aromatic bazaars of India unveiled the secrets of complex spice blends.

The Curator's passion found its truest expression in the realm of spirits. Inspired by the merchants of the Silk Road who bartered for spices and botanicals, they amassed a collection of unparalleled depth and diversity. The story of their Armagnac collection resonates with echoes of ancient French vineyards, each bottle a testament to the passage of time and the artistry of generations. Their Cognac selection embodies the sophistication of the French countryside, while the curated whiskies capture the rugged landscapes and fiery spirits of the regions from which they hail.

Domaine Georges Roumier

With a history spanning over a century in the Côte de Nuits village of Chambolle-Musigny, the Domaine is present under the stewardship of third-generation winemaker Christopher Roumier. His unwavering commitment honoring the terroir is evident in the implementation of techniques such as extensive whole-cluster fermentation and minimal use of new oak. The philosophy and practices result in wines that are widely esteemed for their delicacy, fragrance and finesse, firmly establishing Domaine Georges Roumier as a producer of some of the most coveted wines in Burgundy.

Domaine du Comte Liger-Belair

Domaine du Comte Liger-Belair is a very recent wine estate since created at the beginning of the year 2000 by Comte Louis-Michel Liger-Belair, agricultural engineer and oenologist, with the aim of taking over the running of those few parcels of vineyards remaining in the hands of the family. But it is in fact a very old estate as it has over 200 years of family tradition at the service of the vines and wines of Burgundy in general and Vosne-Romanée in particular.

Domaine de la Romanée-Conti

Discover one of the most prestigious and iconic wine producers in existence. The exceptionally limited production and high demand for the wines contribute to its exclusivity and rarity. Including the legendary monopoles Romanée-Conti and La Tâche, each Cru is meticulously crafted with strict attention to detail and an unwavering commitment to quality. The resulting wines are highly sought after by collectors and enthusiasts, making them some of the most coveted and valuable in the world.

Petrus

The Petrus vineyard, situated in the Pomerol appellation of Bordeaux, is renowned for its unique terroir featuring the 40-million-year-old blue clay, a soil composition found nowhere else in the world. This distinctive soil is believed to contribute unique characteristics to the wine with velvety texture, fragrance, and richness.

With only approximately 11 hectares of vineyard, the production is limited, allowing for an unparalleled level of attention and care that is difficult to achieve in typical winemaking operations.

This restricted production ensures each bottle of Petrus receives the meticulous focus and hand-on craftsmanship, making it a hallmark of top-tier wine in the industry.

Calvados

The devotion to Calvados is a reverence for Normandy's past, distilled through centuries of orchard mastery. As Jacques Legras, manager of the Hôtel Bar de Normandie, famously remarked, "If life is a painting, Calvados is the brush that brings its colors alive." ,and in the immortal words of Ada Coleman, head bartender at the Savoy Hotel, "If life's a bite, then Calvados is the juicy after-taste."

Whisk(e)y

The eclectic assortment of rums is a tribute to the smashbuckling pirates of yore. Amidst seas sailed and lands of sugarcane, the curator scours for rums that sing of terroir. As Ernest Hemingway once said, "Rum, like a true friend, warms the soul and soothes the spirit." Each rum whispers tales of distant shores and the allure of a well-crafted cocktail.

Gin

*“Of all the gin joints in all the towns in all the world, she walks into mine.”
- Humphrey Bogart. The allure of gin, a spirit that has fuelled many a grand
adventure, captured The Curator’s imagination. And so, he embarked on a
mission to source rare spices, fruits and botanicals from the far reaches of the
world, culminating in crafting a collaboration with NIP Gin that would
encapsulate the very essence of his travels.*

Vodka

Stanisław Jerzy Lec humorously captures the role of vodka in easing troubles and bringing moments of forgetfulness, which resonates with our Curator and the idea of indulgence from fine ingredients. "Vodka is our remedy for bad memory." As a connoisseur of traditions, he ventured to Poland to learn the sacred rituals surrounding vodka, turning frosty glasses into vessels of shared stories.
